Foreword

This year at York has been one of big changes and expansion. The biggest and perhaps most important change was in enrollment which placed us in Group 1-A competition in sports, forensics, and other similar activities. The second big change came in December with the opening and dedication of a new gym with a seating capacity of 2500 (see left and below). Summer delivery for the *Falcon* was another first for York. Finally, this was the year of our school's evaluation by the State Department of Education.

We, the Falcon staff, invite you now to review with us the places, people, and events that contribute toward making this a truly remarkable year at York—a year of the "BIG STEP"—the year 1962-63.

Dedication

At a time when there is so much talk about the present and future progress at York, about enlargement of the faculty and student body, and about increased facilities for instruction, it is only fitting that we should also look backward and see our beginnings. It is with this in mind that we, the Falcon staff of 1963, do dedicate this the ninth volume of our yearbook to Mrs. Kate Davis in grateful appreciation for all that she has done for us over the years since the opening of our school, not only in her work as librarian when she assisted us in our studies and our term papers, but also through her guidance as sponsor of the Student Cooperative Association where she helped us plan our many activities.

CURRICULUM

The life of a high school student centers around the courses that he takes and York teachers spend much time helping students plan their curriculum. The Guidance Department which moved into new and larger quarters this year—away from the office and discipline—has the main responsibility, however, in aiding students' choice of their courses and in smoothing out class conflicts. In this way students find their subjects more meaningful and enjoyable.

Curriculum

A student entering York High in the eighth grade makes tentative plans for his high school courses when he enrolls. He may change his schedule at the beginning of any year thereafter, but he plans what he hopes to do, in the eighth grade. York offers three courses to all students, in two of these courses certain electives are required for those preparing to go to college or the apprentice school. The academic course consisting of three years of math, three years of science, and two years of foreign language in addition to regular courses is required. For those

interested in business, the commercial course is offered. In this course the students in their junior and senior years elect typing, shorthand, and office practice. The general course leaves the choice of electives up to the individual. Five years of English, three years of social studies, two years each of math and science and three years of Physical Education are required courses for all students.

Because York's curriculum is so varied, there is a wide range of electives including home economics, art, industrial arts, personal typing, German, Spanish, Latin, French, and the many phases of science and mathematics.

Principal's Message

Somewhere I read an article on "How to Live." I pass on to you the thought left with me: If a man cheats you, quit dealing with him; if he is abusive, quit his company; if he slanders you, take care to live so that nobody will believe him.

There is nothing better than a cool, calm, quiet way of dealing with the wrongs which confront us. Always be sure your actions outshine your intentions.

With sincere best wishes,

John H Stevens

New Additions Made in Office

MR. LEWIS E. SIMPSON
B.A.
Vice-Principal and Athletic Director

New this year is the office of vice-principal which is aptly filled by Mr. Lewis (Rusty) Simpson. He successfully carries out his numerous duties, including discipline, while maintaining the respect and loyalty of the student body. In addition, he is also the director of the school's athletic activities.

Secretaries and Assistants

New also this year were the two general office secretaries, Mrs. Shirley Sykes and Mrs. Virginia Collie (below). Mrs. Doris Barnes (right) became full-time secretary to the principal.

The efficiency and smoothness with which the office and guidance administrations operate are largely due to the excellent student help. Students in both departments act as receptionists, assisting in answering the many demands and requests of the student body. In addition, these assistants do filing, run errands, and keep up a line of communication between the offices and the classroom teachers.

SENIORS

This year's Senior Class was exceptional in that as Juniors it gave the first Junior-Senior Prom outside of the school at the Stoneybrook Country Club; it was the largest to graduate with five homerooms with Mrs. Elizabeth Smith, Mrs. Helen Hall, Mrs. Thelma Hansford, Mr. Steve Zalumas and Mr. Leo Mitkievicz as our sponsors; and in addition to participating in all traditional activities, sponsored the Magazine Campaign.

ORGANIZATIONS

Several new organizations—the Youth for Christ, French club, and F.B.L.A.—were started this year. The 1963 Honor Council (left) found new sponsors and changed their entire creed and program—really making the Honor Council a prominent part of life at York. Many clubs made floats for Homecoming, but the Art Club members who worked the longest and hardest found that this method paid off—their float won first place.

and community

The S.C.A. has worked hard this past year sponsoring projects which helped to improve the appearance and the students' pride in York High School. Also, the S.C.A. sponsored a Thanksgiving drive to collect food for the needy families of our community. Active members of the S.C.A. participated in the Thanksgiving drive; RIGHT: Mrs. Kate Davis talks with (from left) Sandra Luciano, Bonnie Carpenter, Rusty Horne, Pat Ferguson, John Warley, and Randy Stevens; BELOW, right: Richard McConnell assists President John Warley in loading the food; BELOW, left: John Warley and Peyton Powell, Christmas Drive Chairman, look on.

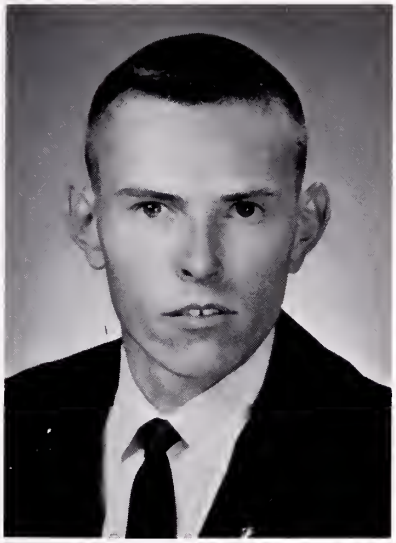
Honor Council

The Honor Council, under the sponsorship of Mrs. Virginia Brown, met many new challenges this year. The council worked diligently on a new constitution and for promoting honor throughout the school. Furthermore, the council pointed out the responsibility of the classroom teacher's cooperation with the Honor Council and emphasized the importance of understanding an individual rather than disciplining him.

Beta Club

19 sophomores were tapped this spring.



FRANK SASSER
President

The Thomas Nelson Chapter of the National Beta Club was founded, like all Beta Clubs, to stimulate effort, reward achievement, and to encourage and assist its members to continue their education after high school.

To become a member, one must have a ninety average and pass the qualities of leadership and a commendable attitude. In the fall, deserving Juniors and Seniors are tapped into the club, and in the spring, sophomores are tapped into the club.

The Beta Club has sponsored many activities at York this year. With the addition of 24 members in the fall and 19 members in the spring, the club has broadened its activities. Not only did the Club sponsor Homecoming and May Day activities, but they raised money for their scholarship fund by keeping a hat-and coat-check room during basketball season.

Falcon Staff publishes

BONNIE CARPENTER
Editor

The 1963 annual staff has produced the school's first annual with summer delivery: the 1963 Falcon also will be the first to present complete coverage of an entire year of school life—from September to June.

Many long, hard hours were spent in room 102 6th period each day as the staff planned page layouts, arranged pictures, and wrote and typed copy. All in all, the staff spent a very busy and fruitful year.

KEY CLUB OFFICERS

SITTING: John Warley, Sgt.-at-Arms; Charles Brown, Treasurer; STANDING: Mike Holland, President; Kevin Curtis, Vice-Pres.; Tom McDaniel, Secretary.

The York High Key Club, sponsored by the Peninsula Kiwanis Club, has made tremendous advances this year. It is composed of seniors (pictured left), sophomores and juniors. A school service organization, the York Key Club started off the year with the annual used-book sale, and sponsored school dress-up day every Wednesday. Other important projects included the sale of pennants and bookcovers, cleaning out the press box, and ushering at basketball games, College Day, and Career Day. In March, the club attended the Capital District Convention in Roanoke. Finishing out the year, the Key Club inducted new members, elected Miss Lindy Blanton as sweetheart, and sponsored the Ugly Boy Contest in order to raise money to send delegates to the International Convention in Pittsburgh, Pa., this summer.

York Gets New Coach for Varsity Football

COACH WILLIAMS

On September 14, York's football team opened its first 1962 football campaign in Group 1A competition under the leadership of a new coach, Grayson Williams. The first game pitted York against the mighty power of the Newport News Typhoons, who eventually won the district championship. The 37-6 score didn't reflect the enthusiasm or fighting spirit shown by the team.

Our "fighting Falcons" marched on to a 13-0 victory over Smithfield, but were subdued the next week by the anxious drive of Hampton. York went on to hand our rival, Poquoson, a loss, only to lose the next week to James Blair.

Heading down the home stretch, York had a 2-4 record and things were not looking very good. A win over Group II Gloucester coupled with a loss to Warwick, brought us to a 3-5 record. A 5-5 record was the aim of Coach Williams at the beginning of the season, but it seemed impossible with two heavy contenders coming up. Our team responded beautifully with a 12-0 win over Ferguson. It was the first contest between these two peninsula schools. The last game of the season was against Deep Creek, one of the biggest offensive powers in the district. York's defense quickly changed the picture with a 15-6 victory. This was our greatest victory of the season; thus ending it with a 5-5 record, the best since 1958.

This year was an outstanding one for the "Fighting Falconettes," because for the first time they almost qualified for the district championship. Under the fine leadership of their coach, Mrs. Shirley Weaver, these girls won seven of their eleven games. The team was quite happy about the season's record and are hopeful for an even better season next year.

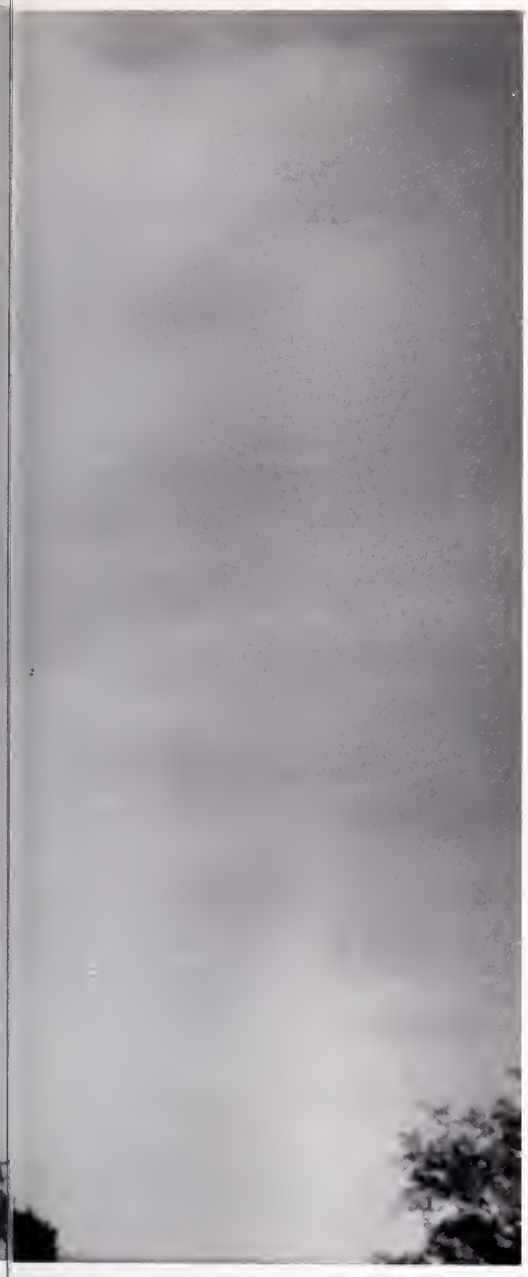
ADVERTISEMENTS



The big step in our community takes the form of growth in population, for newly published statistics have listed York County as one of the fastest growing areas in the state of Virginia. Yet, in the midst of the many changes caused by new settlements and new developments, stands the Yorktown Monument, not only the marker of our Nation's founding but also the symbol of our school.

Thus, as changes come and go, historic Yorktown reminds us of the lofty ideals our ancestors cherished and our school, nearby, through affording us life's experiences prepares us to follow in the footsteps of those brave and courageous men.

ALMA MATER

Where our loyal patriots won
In the warm October sun
Stands our school, a tribute to
Those heroes, strong and true.

Hail York High! Hail York High!
May that spirit never die.
Hail York High! Hail York High!
May her banner ever fly.

We will follow in their way,
Steadfast loyal day by day.
Honor to York High we'll bring
Of Alma Mater sing.
